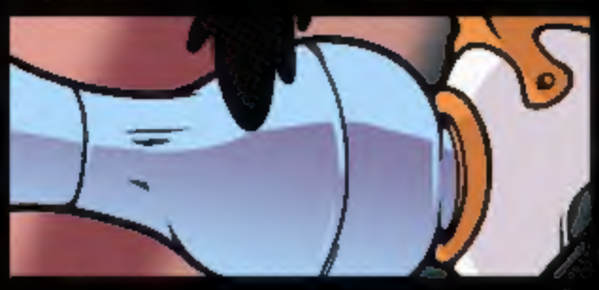
Inkbolt Reel 2

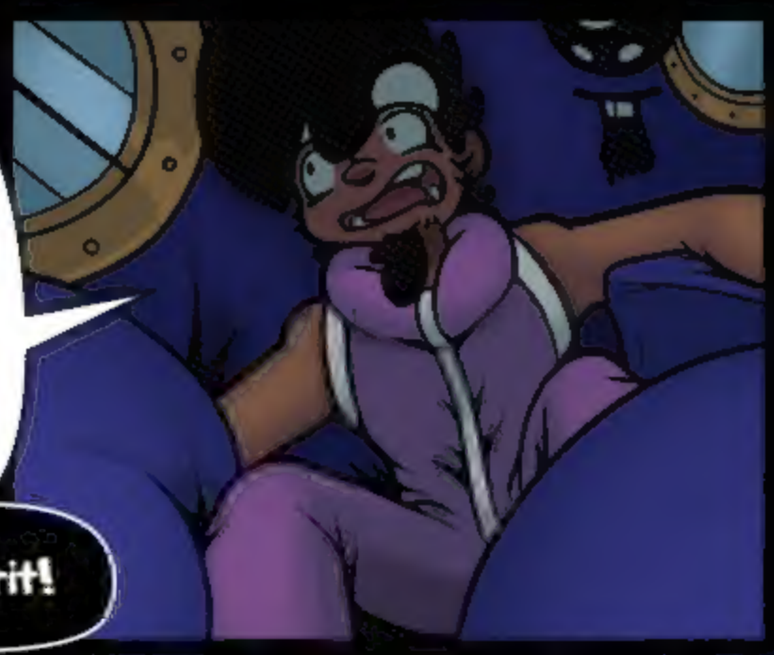
The True and False King

Coming through!
Whirrrr
Ooo~ Jackpot! This trash looks GNARLY.
Let's get to work, Bucket!
WHIRRRRRR!!
Huh?



Hey! Wait!! HEY!!!

Oh who am I kidding. Getting eaten by a vacuum cleaner with googly eyes is on par with everything else since I got here.



That's the spirit!

BLOT!

Hey, Toma! You okay?

NO! How do you know to call me that? What's going on!?

I could hear you talking at points! It's kinda weird what's happening to me, but I think it's because I might have done something really really reckless! What did you do to me?

Reckless? Weird what's happening to YOU!? What did YOU do to me?

Listen, I had no choice. I had to save you, so I dove into you and with my ink . . .

WHAT!?

I don't know what happened.

SHOOM!

. . .

I don't know what happened!

It worked, but not without a side effect. I'm linked to you now, through my own ink!

So in a panic I covered you trash so toons wouldn't bother you.

Disguise worked! The thing you did with your ink, this ink CPR, is it causing me to turn into a cartoon wolf?

No! That's great! This must be the power of the Inkbolt tape.

Great? How is that great?

Not having much luck busting out of here, are you? I bet that a BIG wolf could break us out here. Give it a go!

I-I don't know what that means.

Transform! Just maybe like, this time, stay as the wolf a bit longer? Let's see what it's got!
Uh Blot, I can't just...
THEN I'LL KICKSTART YA!
GO, INKBOLT!
grrk!
BOW!
I'm so sorry ~ I'm so sorry!
